## What is Happening in the Classrooms....

### VIOLET ROOM NEWS

Happy June Violet Room Families! May seemed to fly by!

We are enjoying the beautiful weather by going for walks, drawing with chalk, playing with bubbles, and playing on the playground. We also were able to watch our caterpillars spin into their chrysalis and turn into butterflies. The Violet Room friends loved releasing them in nature and watching them fly off.

On June 3, we are celebrating our Families. Your child will bring a special gift home. June Themes are Farm Animals, Summer, Chicka, Chicka, Boom, Boom, and Graduation. Letters for the month are A, M, N, V, W, X, Y, and Z.

Please remember that JUNE 20<sup>TH</sup> the SPOTTED ZEBRA WILL BE CLOSED IN HONOR OF JUNETEENTH.

**SAVE THE DATE JUNE 21,2022 WILL BE THE VIOLET ROOM GRADUATION. DETAILS TO COME.**

This month we will be celebrating Alyssa, Cameron, Landon, and Oaklyn's birthdays.

A friendly reminder to please apply sunscreen to your child every morning before school. Staff will reapply sunscreen in the afternoon.

## Blue Room News

It is hard to believe it is already June. It has truly been a wonderful year despite the challenges we all have faced. The children have all grown so much and developed strong friendships within our class. We will miss the children who are moving on this summer to new adventures.

In May we explored life cycles and farm animals. The children were so excited to observe as our caterpillars changed into butterflies. It was very exciting when we were able to let them go at the Crossings! The themes for the month of June are space, numbers and shapes and graduation. We are in the process of planning our Blue Room graduation. It will be June 22<sup>nd</sup> at 11 AM. We have been practicing our songs and cannot wait to share them.

Finally warm temperatures have finally arrived in the great Northeast. Due to milder temperatures and sun filled skies please remember to send in labeled sunscreen. Also, a hat and sunglasses would help protect your little ones from the bright sun. As we are spending more time outside, please be sure your child has appropriate shoes for the playground. We often go on daily walks to the Crossings prior to the playground. We will check your child's cubby for weather appropriate extra clothes and let you know if you need to send in summer clothing.

Happy Birthday to Miss Sue and Christian!

## Bizzy Beez News

Welcome to June! It's hard to believe the end of the year is here already! We have had so much fun with your kiddos this year. We are so proud of all the progress and growth our children have made this school year. While we may have been teaching them, they have not only touched our hearts but taught us a lot along the way!

June is all about the culmination of the year and getting ready for graduation. We will make a quick stop to the ocean and explore different kinds of ocean animals and what makes them unique.

Just a reminder that our graduation is June 24<sup>th</sup> and there is a two-person maximum.

We want to wish a happy birthday to Maddie, Liam S. and Gwendolyn.

We had so much fun with our caterpillar unit! Your kiddos loved watching them metamorphosize into butterflies and observing all of the changes that happened.

## Orange Room News

Is it really June?! We have had such a great year of "having fun learning" in the Orange Room! The month of June is always a bittersweet time for us. We are beyond proud of the children's growth over the course of the school year but sad to wrap things up. It will be so difficult to say goodbye to such a special group that truly functions and gets along like a model community!

We have so much more to do in these last few weeks of school. First, we are excited to continue a mini study of ocean life; followed by a unit about camping! The science topic for the last two classes is the human body; specifically, anatomy of organs and taking care of them. We will also participate in a number of activities to review previous math concepts, including graphing, place value of tens and ones, patterns, writing and identifying teen numbers, addition, and subtraction. Time will certainly be spent reflecting on our school year and our special friendships as we prepare for our graduation. We are so excited about our plans for graduation day! Be on the lookout for more detailed information to follow.

Last, but not least, while we cannot have an in-person Annual Family Day Celebration, we will still be celebrating all of you. We have been working on making some special gifts to send home in a gift basket for you to enjoy. Look out for them to come home on Fri., June 3<sup>rd</sup>!!

We do not have any birthdays to celebrate this month, however we do want to wish all of our dad's a very Happy Father's Day.

**Ms. Carol, Mrs. Sbardella, Ms. Martha, Mr. Jason, Ms. Casey, and Ms. Liz**
